TEACHING AND PROFESSIONAL EXPERIENCE

Wallace Jr. High School, Parker, AZ

Science Teacher/Student Council Advisor
2007-2017

Developed science curriculum for both 7th and 8th grade and overall course structure. Administered all grades and facilitated tutoring after school. Planned school dances and events through Student Council and managed the student store. Planned and facilitated 8th grade promotion and community events for parent involvement.

Frenship High School, Wolfforth, TX

Earth & Space Science Teacher
2017-Present

Teach six sections of Earth & Space Science including Dual Credit. Develops engaging lessons incorporating real-world examples to meet all learners needs. Participates in community and school sponsored events such as football, basketball, and theater productions to show support for students' extracurricular interests.
