REVIEW: This OP will be reviewed in September every five years, or as needed, by the director of human resources with recommended revisions forwarded through the vice president for finance and administration to the president by October 15th of the same year.

POLICY/PROCEDURE

1. General Policy

a. All appointments shall be made on the basis of qualifications and suitability of the appointee, subject to applicable statutes and the provisions of Section 03.01.11, *Regents' Rules*.

b. Prohibition Applicable to TTU System and System Component Officials

No person related to any member of the board of regents, to the TTU, TTUHSC, or ASU president, or to the Texas Tech University System Chancellor within the second degree by affinity (marriage) or within the third degree by consanguinity (blood) shall be eligible for appointment to any position in the TTU System.

1) The above does not apply to any employee who has been continuously employed for thirty or more days prior to the appointment of a member to the board, a president, or the chancellor who is related to the employee within a prohibited degree, and it does not apply to honorary or non-remunerative positions.

2) Any employee who has been continuously employed for less than thirty days prior to the appointment of a member to the board, a president, or the chancellor who is related within a prohibited degree will be removed from the individual's position.

3) When good cause exists, the board may grant an exception to this prohibition.

c. Prohibition Applicable to Administrators, Supervisors, and Others

No person related to an administrator at Angelo State University within a prohibited degree shall be eligible for initial appointment to a position in an area of responsibility over which an administrator has appointive authority, in whole or in part, regardless of

the source of funds from which the position's salary is to be paid. Exceptions to this restriction on the initial appointment of an individual may be made only by the board upon recommendations of the president and the chancellor and, then, only when the administrator in question does not directly supervise the person to be appointed.

- d. No employee may approve, recommend, or otherwise take action with regard to the appointment, reappointment, promotion, salary, or supervision of an individual related to the employee within a prohibited degree.
- e. If the appointment, reappointment, reclassification, or promotion of an employee places the employee under an administrative supervisor who is related within a prohibited degree, all subsequent personnel and compensation actions affecting the employee shall become the responsibility of the next higher administrative supervisor. If the next higher administrative supervisor is in the same department, college or administrative unit, arrangements shall be made to shift the supervisory responsibility to another department, college or administrative unit.
- f. If the appointment, reappointment, reclassification, or promotion of an employee makes the employee an administrative supervisor over an employee who is related within a prohibited degree, all subsequent personnel and compensation actions affecting the subordinate employee shall become the responsibility of the next higher administrative supervisor. If the next higher administrative supervisor is in the same department, college or administrative unit, arrangements shall be made to shift the supervisory responsibility to another department, college or administrative unit.
- g. The provisions of subsections e and f shall apply to situations where two employees marry and one spouse is the administrative supervisor of the other.
- h. All instances where an employee marries an administrative supervisor, is placed under the administrative supervision of a relative, or is made the administrative supervisor of a relative within the prohibited degree will be reported to the board as an information item.
- i. Exception: The provisions of the policy do not apply to the appointment or employment of a personal attendant by any member of the board, a president, the chancellor, or an employee for attendance on the officer or employee who, because of physical infirmities, is required to have a personal attendant.
- j. Enforcement: Suspected violations of this policy will be investigated by the director of human resources and the appropriate vice president. An individual who is appointed in violation of this policy shall be removed from the individual's position.
- k. Arrangements designed to manage a conflict of interest that arises under this nepotism policy shall be evaluated at the end of each academic year to assure there continues to be effective management of the conflict of interest and to determine whether modifications are necessary
- l. The director of human resources is responsible for interpreting the nepotism policy.

2. Definitions

Persons related within the prohibited degrees are identified in the following definitions:

a. Affinity (Marriage)

- (1) The first degree of affinity includes the employee's spouse, the spouse's children and parents, and the spouses of the employee's children and parents.
- (2) The second degree of affinity includes the brothers, sisters, grandparents, and grandchildren of the employee's spouse, as well as the spouses of the employee's brothers, sisters, grandparents, or grandchildren.

b. Consanguinity (Blood)

- (1) The first degree of consanguinity includes the employee's parents and children.
- (2) The second degree includes the employee's brothers, sisters, grandparents, and grandchildren.
- (3) The third degree includes the employee's great-grandparents, great-grandchildren, aunts, uncles, nephews, and nieces.

3. Procedures

- a. All new employees are required, at the time of new employee on-boarding, to acknowledge they have read and understood the nepotism laws and procedures associated with Angelo State and the TTU System. This can be found in Section 03.01.11, *Regent's Rules*, at <http://www.texastech.edu/board-of-regents/regents-rules/chapter-03-personnel.pdf>
- b. The name and relationship of all university employees to whom a new employee is related within the third degree by consanguinity (blood) or the second degree by affinity (marriage) will be listed on the new employee's Employee Acknowledgement and Certification form at the time of on-boarding.
- c. If an individual is appointed to the same department in which a relative (as defined in this policy) is appointed, the director of human resources may request a memorandum from the department head/chair to confirm that there is no area of responsibility over which the relative has appointive authority, either in whole or in part.
- d. The initial appointment of an individual related to an administrator within a prohibited degree to a position in an area of responsibility over which the administrator has appointive authority, in whole or in part, will require the approval of the Board of Regents. In order to secure that approval, the administrator must complete Application for Waiver of Nepotism and submit it through administrative channels to the president and the chancellor for their recommendation so it can be submitted to the Board of Regents for approval. Any employment offer made to an individual related to the hiring administrator within a prohibited degree will be contingent upon the Board of Regents' approval.
- e. In the event an employee's marriage, reappointment, reclassification, promotion, or reassignment places the employee under an administrative supervisor who is related within a prohibited degree, or makes the employee an administrative supervisor over an

4. Fines and Penalties (in accordance with Texas Government Code, Section 573)
