

Job Description

Graduate Assistant for Outdoor Adventures

Angelo State University Recreation, San Angelo, Texas

Overview

University Recreation consists of five program areas: Aquatics, Facilities, Fitness, Intramural Sports, and Outdoor Adventures. Over 200 students are employed with UREC in various positions to administer, manage, and support day-to-day operations. Student employee positions range from entry-level positions such as area floor staff, office staff, and sports officials, to supervisory and management positions. Consideration for employment is based on the review of a resume and interview.

Our mission is to engage the campus community with recreation and wellness programs designed to stimulate growth and development by enhancing healthy lifestyles through participation opportunities, educational experiences, and supportive services. Through recreational involvement, UREC provides a safe and contemporary environment for social interaction while improving sportsmanship and fostering leadership development.

Outdoor Adventures

Mission Statement

By utilizing adventure education-based programming experiences, Outdoor Adventures strives to provide opportunities to promote self-efficacy, leadership qualities, and pro-social bonds to the Angelo State University community.
