POLICY/PROCEDURE

1. Authority

All tuition and fee exemptions and waivers available to Angelo State University students have been authorized by state statutes and/or TTUS Board of Regents. The Satisfactory Academic Progress and Excessive Hours rules are provided in Texas Education Code Section 54.2001.

- b. Students should present all completed forms and documentation associated with the exemption or waiver to the “submit to office” listed on the Exemptions and Waivers web page referenced above.
- c. All exemption and waiver forms must be submitted in original form with original or digital signatures. Incomplete forms will be returned to the student and will not be processed until the form is completed.

- d. Exemption and waiver forms must be submitted no later than the last class day of the semester. Any requests submitted after this date will be allowed only with documented extenuating circumstances.
- e. Students will be required to meet Satisfactory Academic Progress (SAP) in order to continue to receive the benefits of a mandatory or discretionary exemption or waiver from the payment of all or part of tuition and fees beginning with the fall 2014 semester and after initially qualifying for a mandatory or discretionary exemption or waiver. SAP requirements are established per Financial Aid policy at Angelo State University and will apply to the continuation of your exemption or waiver benefits regardless of aid eligibility. The following exemptions and waivers are excluded from SAP requirements: Dual Credit, Foster Care, Ex-Prisoners of War, Hazlewood for all children or spouses of veterans killed in action, missing in action, or who died as a result of service-related illness or injury, POW, and waivers that allow non-residents to pay resident tuition rates.
- f. Beginning with the fall 2014 semester, any student enrolled in “excessive hours” will not be eligible for exemptions and waivers. Excess credit hours for students initially enrolling in the fall 1999 semester and subsequent terms, are those hours attempted by a resident undergraduate student that exceed by more than 45 hours the number of hours required for completion of the degree plan in which the student is enrolled. For students initially enrolling in the fall 2006 semester and subsequent terms, excess credit hours are those hours attempted by a resident undergraduate student that exceed by more than 30 hours the number of hours required for completion of the degree program in which the student is enrolled. The following exemptions and waivers are excluded from excessive hour’s requirements: Dual Credit, Foster Care, Ex-Prisoners of War, Hazlewood for all children or spouses of veterans killed in action, missing in action, or who died as a result of service-related illness or injury, POW, and waivers that allow non-residents to pay resident tuition rates.
- g. Students who do not meet SAP requirements will be notified via their official ASU email by the Student Accounts Office. A student may appeal to continue receiving the exemption or waiver by completing the Satisfactory Academic Progress Appeal application and providing the necessary supporting documentation to the Student Accounts Office. The appeal letter must show hardship or other good cause for the exemption or waiver to continue. Hardship or other good cause includes:
 - severe illness or other debilitating condition that could affect the student’s academic performance;
 - the student was responsible for the care of a sick, injured, or needy person and that responsibility could affect the student’s academic performance;
 - the student was active duty Texas National Guard; or
 - other special circumstances allowed by Student Accounts policy.
