Identity Verification

If you see this message when you log-in to your BankMobile Account (asuone.com), it means you have chosen BankMobile Vibe Account as your “refund preference/option” during the activation process of your OneCard.

*Refunds are the money leftover from Financial Aid grants, scholarships, student loans, or reimbursement money from your withdrawn classes.

If you have your own personal bank account that you would prefer to use as your refund preference/option, you may change your refund preference following the instructions on the link below:

Now, if you want to continue to use BankMobile Vibe Account as your refund preference/option, that means you are opening a checking account with BankMobile and your OneCard ID will turn into a debit card. Just like any other bank, when you open an account with them, they will require some documents from you to verify your identity.

Please use your mobile phone or tablet with a camera when following the instructions below.

1. Login to asuone.com
2. Please read the list of documents that BankMobile requires from you to upload or submit because the documents they ask from each student varies.

For your convenience, we’ve created several ways for you to confirm who you are!

Please provide one of these documents to be verified

- Passport
- U.S. Issued Visa
- Mexican Consular Card

Some students may be asked to upload a photo of their social security card and driver’s license/state ID.
