

Merging PDF Files

1. Open the PDF you would like to merge the other PDF(s) into.
2. Click on "Combine" in the toolbar.
3. Select "Merge files into a single PDF".
4. Click on "Add Files..." at the top of the new window.
5. You can either select "Add Files" or "Add Open Files" if your PDFs are open.
6. Once you have added your PDFs click "Combine Files" at the bottom of the window.
7. Your PDFs are now all in the same PDF!
