

ANGELO STATE UNIVERSITY (“ASU”) PURCHASE ORDER TERMS AND CONDITIONS

1. PROCUREMENT REQUIREMENTS

- 1.1 “University” shall mean either Angelo State University or Texas Tech University System. Both agencies are agencies of the State of Texas.
- 1.2 Vendor acknowledges, by signing any agreement documents and/or supplying the requested commodities and/or fulfilling the requested services that the Vendor has read, fully understands, and will be in full compliance with all terms and conditions and the descriptive material contained herein and any additional written and signed agreement or purchase order and all associated documents and amendments. The University disclaims any terms and conditions provided by the Vendor unless agreed upon in writing by the parties. In the event of conflict between these terms and conditions and any terms and conditions provided by the Vendor, the terms and conditions provided herein shall prevail.
- 1.3 This Purchase Order supersedes all prior agreements, written or oral, between Vendor and the University and will constitute the entire agreement and understanding between the parties with respect to the subject matter hereof. This Purchase Order and each of its provisions will be binding upon the parties and may not be waived, modified, amended, or altered except in writing, signed by the University’s Director of Purchasing or their designee and the Vendor. Waiver of a provision in one instance shall not preclude enforcement thereof on future occasions.
- 1.4 Vendor agrees that it will comply with federal, state, or local laws or regulations applicable to Vendor’s performance under the purchase order or agreement. Vendor further agrees that it will comply with applicable University Operating Policies and Procedures located at <https://www.angelo.edu/opmanual/>.
- 1.5 Purchases made for University use are exempt from the Texas State Sales tax and Federal Excise tax. Tax exemption certificates are available upon request. The University’s Texas taxpayer identification number: 37377377373. If the University is billed for any exempt taxes, they will be deducted from the invoice payment.
- 1.6 Vendor shall not assign, delegate, or subcontract any purchase order or agreement or any rights resulting from a bid or proposal without the prior written consent of the University and any attempt to the contrary shall be void and of no legal effect.
- 1.7 Headings are for reference purposes only and have no substantive effect.
- 1.8 All communication relating to this Purchase Order shall be directed to the Purchasing Department. When contacting the University’s Purchasing Department, the vendor/proposer shall provide the purchase order number for reference purposes. All notices, consents, approvals, demands, requests, or other communications relating to this Purchase Order shall be in writing and shall be emailed to asu_purchasing@angelo.edu, or delivered to Angelo State University, Purchasing Department, ASU Station #11010, San Angelo, Texas 76909, or hand delivered to Angelo State University, Hardeman Building, Room 211, 2601 W Ave N, San Angelo, Texas. All such correspondence must reference the purchase order number.

2. SPECIFICATIONS

- 2.1 Unless otherwise specified, items shall be new and unused and of current production.
- 2.2 All electrical items must meet all applicable OSHA standards and regulations, and bear the appropriate listing from UL, FMRC or NEMA.
- 2.3 Samples, when requested, must be furnished free of expense to the University. If not destroyed in examination, they will be returned to the Vendor, on request, at Vendor’s expense. Each sample should be marked with Vendor’s name and address.

3. DELIVERY, INPECTIONS AND TESTS

- 3.1 All prices must be FOB destination, freight prepaid, unless agreed upon on the purchase order document.
- 3.2 University shall have a reasonable time (but not less than 30 days) after receipt to inspect the goods and services tendered by Vendor. University at its option may reject all or any portion of such goods or services which do not in University’s sole discretion comply in every respect with each and every term and condition of this Purchase Order or that are damaged in transit. University may elect to reject the entire goods and services tendered even if only a portion thereof is nonconforming. If University elects to accept nonconforming goods or services, University, in addition to its other remedies, shall be entitled to deduct a reasonable amount from the price thereof to compensate University for the nonconformity. Any acceptance by University, even if non-conditional, shall not be deemed a waiver or settlement of any defect in such goods and services.
- 3.3 Tests shall be performed on samples submitted with the bid/proposal or on samples taken from regular shipment. All costs shall be borne by the Vendor in the event products tested fail to meet or exceed all conditions and requirements of the specification. Goods delivered and rejected in whole or in part may, at the University’s option, be returned to the Vendor or held for disposition at Vendor’s expense. Latent defects may result in revocation of acceptance. If replacements are requested and Vendor fails to deliver such replacements promptly, the University may: (i) replace or correct such items and charge Vendor all reasonable costs of cover incurred by the University, or (ii) terminate this Order for default as provided in Termination Section.
- 3.4 No inspection, tests, approval (including design approval), or acceptance of items shall relieve Vendor from responsibility for latent defects, material misstatements or omissions, or Vendor’s warranty obligations.
- 3.5 Manufacture or production of items subject to the University’s approval of a prototype, sample, or design shall not proceed until such approval is given.
- 3.6 Delivery must be made to the “Ship To” address located on the Purchase Order. Failure to deliver to the appropriate address will not be grounds for reimbursement for shipping costs and will result in delay of payment.
- 3.7 Delivery shall be made during normal working hours only, unless prior written approval has been obtained from University. No collect shipments will be accepted.
- 3.8 If delay is foreseen, Vendor shall give written notice to University’s Purchasing Department. Vendor must keep University advised at all times of status of order. Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes University to purchase supplies elsewhere and charge full increase, if any, in cost and handling to defaulting Vendor.
- 3.9 No substitutions are permitted without written approval of the University’s Purchasing Department.
- 3.10 Vendor shall bear all risk of loss on items covered by any resulting purchase order until final acceptance at the destination specified on the face of the purchase order, except for loss occasioned solely by the negligence of the University. Any “F.O.B.” designation does not vary the foregoing risk of loss provisions. Vendor shall replace any lost or damaged media containing licensed software or data upon request at a price not exceeding the reasonable cost of media duplication, packaging and shipping.

4. HAZARDOUS SUBSTANCE

PaymentWorks is a secured portal for entering payee information and helps protect personal and sensitive information. Vendors are required to set up an account and complete an onboarding process through PaymentWorks. University will send an email "invite" to initiate this process.**
- 7. AUDIT**

Vendor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Vendor and the requirement to cooperate is included in any subcontract awards.

- 9.2 Vendor represents that it has other substantial sources of revenue, will file tax returns and pay tax as an independent contractor for this relationship and will defend, indemnify and hold the University harmless from any claim to the contrary.
- 9.3 Vendor agrees to inform the University, of any violation under this Purchase Order, and of any conduct of which it becomes aware during the performance of the Vendor's obligations. This shall include any conduct by the company or any of its employees, agents, or contractors, or by University or any of its agents, employees, or subcontractor, which a reasonable person would conclude, may violate any of the requirements herein.
- 9.4 Officers, faculty, and staff ("employees"), of the University, including Board of Regents members, may not have direct or indirect interests, including financial and other interests, engage in business transactions or professional activities, or incur any obligation of any nature that is in substantial conflict with the proper discharge of the employees' duties, including any function in which such employee has any delegated authority to conduct or approve the transaction.

If the status of any owner or employee of the Vendor changes during the course of the contract or purchase order, then that relationship shall be disclosed immediately to the managing director of Procurement Services. - The contested case process provided in Government Code Chapter 2260, Subchapter C, shall be the Vendor's sole and exclusive process for seeking a remedy for an alleged breach of contract by the University if the Parties are unable to resolve their disputes in the ordinary course of business or under Chapter 2260, Subchapter B, UNLESS, after considering the recommendation of the Administrative Law Judge, the Legislature grants the Vendor consent to sue under Chapter 107 of the Civil Practices and Remedies Code.
- NEITHER THE EXECUTION OF THIS CONTRACT BY THE UNIVERSITY NOR ANY OTHER CONDUCT OF ANY REPRESENTATIVE OF THE UNIVERSITY RELATING TO THE CONTRACT SHALL BE CONSIDERED A WAIVER OF THE UNIVERSITY'S SOVEREIGN IMMUNITY TO SUIT.**
- The dispute resolution process provided for in Government Code Chapter 2260 at any time, will not affect the University's right or ability to bring suit against the Vendor for disputes arising under this Agreement, nor will it affect the University's ability to assert all claims and defenses in a lawsuit.
- Pursuant to Chapter 2260, the submission, processing and resolution of the Vendor's claim is governed by the published rules adopted by the Texas Attorney General's Office, as currently effective, hereafter enacted or subsequently amended.
