

Global Navigation

The Global Navigation is a menu where critical information from across all of Blackboard is consolidated in a simple, modern, and easily consumable way. The Global Navigation is about making the lives of students more efficient by allowing quick, easy access to grades, discussion boards, etc.

Accessing My Blackboard

No matter where you are in Blackboard; you have one-click access through the menu to each of the My Blackboard tools. To access My Blackboard, you will see a drop down menu next to your name in the upper right corner. The notification box appears next to your name that shows how many items across My Blackboard are new or need your attention.

Bb Home

This page will show due dates for the day and week, any recent grades, and the most recent posts from your courses.
