

# GAP ANALYSIS FOR POST-GRADUATE NP STUDENTS

Name of Candidate: \_\_\_\_\_

New National NP Certification Sought: \_\_\_\_\_

NP National Certification Previously Completed: \_\_\_\_\_ School: \_\_\_\_\_ Year: \_\_\_\_\_

## **Instructions:**

Use this form for a student who is a nationally certified NP seeking partial credit or waiver of coursework towards completion of post-master's certificate in another NP practice area (e.g., a Pediatric NP seeking certification as a Family NP, or Adult PMH NP seeking across the lifespan PMH NP certification.). The form should be completed after a thorough analysis of completed coursework and clinical experiences compared with the program requirements and national NP competencies necessary for certification in the second NP population-focused area of practice.

- In column 1, list the courses for the standard required program of study required for preparation in the DESIRED NP area of practice.
- In Column 2, list courses from the student's transcript that will be used to waive courses from column 1. List the course on the same or equivalent line as the course in column 1.
- In column 3, identify and describe clinical hours and experiences needed to meet the required competencies for the new or desired area of NP practice. The student must meet the clinical course requirements of the program of study using both clinical courses previously taken and indicated on the transcript and courses to be completed.
- List all coursework to be completed for the certificate (all courses from column 1 not waived). This column, in combination with column 3, will constitute the student's individualized program of study.

**See Next Page**

## GAP ANALYSIS FOR POST-GRADUATE NP STUDENTS

List Required Courses for the DESIRED NP area of practice	List courses from Transcript that Satisfy Required Courses listed in Column 1	Type and Number of Clinical Experiences Needed by Student	Coursework to be Completed by Student for the Certificate
