*To print, click on the blue button that says "Print/Save to PDF".

What-if analysis directions:

If the information in your degree evaluation is not correct or you want to see a different degree's requirements, you can complete a What-if analysis to see where your credits might fit within the new requirements. Note: this will not make permanent changes to your degree. Please visit with the department of your major or your advisor to sign paperwork to make changes to your degree.

1. Click on the **WHAT-IF TAB** on the left side of the page.
2. Select **CATALOG YEAR**.
3. Select **PROGRAM**.
4. Select **CONCENTRATION** if needed. Note: Not all degrees require concentrations.
5. Select **MINOR(S)** if needed.
6. Click **PROCESS WHAT-IF**.
7. Review the new degree evaluation.
