SOCIAL WORK PROGRAM
MSW Field Education Student Evaluation

Student ________________________________ Date __________________________

Field Instructor __________________________ Title _______________________

Agency _____________________________________________________________

It is important that the student be given the opportunity to evaluate their Field Education placement. This evaluation is useful to assist the student, the Field Instructor, and the Social Work Field Education Director in both understanding and improving the learning experience.

Each item should be evaluated according to the following key. Check your choice:

1 = Never
2 = Seldom
3 = Sometimes
4 = Usually
5 = Always
6 = Not Applicable

**Agency/Organization:**

1. There is clarity about programs and methodology used in the agency.
