NOTICE OF FILING

ANGELO STATE UNIVERSITY
Office of the Provost and Vice President for Academic Affairs

This notice is posted as the result of the filing of an application for permanent alien labor certification with the Department of Labor for the job opportunity listed below. Any person may submit documentary evidence that has a bearing on this Labor Certification Application including information on available U.S. workers, wages and working conditions, and/or the employer's failure to meet terms and conditions set forth in the Application for Alien Labor Certification with respect to the employment of any similarly employed workers. Such evidence should be submitted to Certifying Officer, U.S. Department of Labor, Employment and Training Administration, Harris Tower, 233 Peachtree St., Suite 410, Atlanta, GA 30303, Tel. 404-893-0101, Fax 404-893-4692.

Employer: Angelo State University

Job Location: College of Science and Engineering
Department of Chemistry and Biochemistry
2460 Dena Drive, San Angelo, TX 76909

Position: Assistant Professor of Chemistry in Organic Chemistry

Job Summary: The Department of Chemistry and Biochemistry at Angelo State University in San Angelo, TX seeks applicants for one or more positions as a tenure-track Assistant Professor of Chemistry in Organic Chemistry.

Duties: The department is seeking an extraordinary teacher. The successful candidate will demonstrate exceptional teaching skills or the potential to develop these skills. The successful candidate will teach courses and laboratories for Organic I and II and other courses as assigned (12 load hours) and will establish an undergraduate research program in organic chemistry. Teaching duties include course and laboratory development, assessment of assignments, and reporting of student learning objectives. Additional responsibilities include service, academic advising and recruiting of students, program development, and assessment, and may include operating and maintaining the department's 400 MHz multinuclear NMR.

Knowledge, Skills and Abilities: Knowledge of organic chemistry sufficient to teach the two-semester organic chemistry sequence with laboratories. The skills to perform and direct original research in organic chemistry. The ability to teach at a high level while pursuing an independent research program at an undergraduate institution.

Physical Requirements: Commensurate with a normal office environment plus the ability to climb a stepladder to perform cryogen fills on the NMR and change NMR samples.

Qualifications: Ph.D. in organic chemistry or a closely related field and a proven track record in teaching and research with undergraduates.
**Required Applicant Documents:** Applications should consist of ASU Application for Faculty Employment, available at [https://employment.angelo.edu](https://employment.angelo.edu), Cover Letter, Curriculum Vitae, Teaching Philosophy, Other Document – applicants should submit a research statement as “other document”, and three letters of reference.

**Other Information:** If three professional letters of reference are not attached at time of application, please mail to: Angelo State University, Department of Chemistry and Biochemistry, ASU Station #10892, San Angelo, TX 79609

**EEO Statement:** Angelo State University is an equal opportunity employer and is committed to promoting and ensuring equal employment opportunity for all individuals without regard to race, color, religion, sex, national origin, age, sexual orientation, disability, or veteran status. In compliance with the Americans with Disabilities Act (ADA), Angelo State University is committed to providing reasonable accommodations to ensure equal access to employment opportunities for qualified individuals with disabilities. We are committed to ensuring that a qualified individual with a disability has the same rights and privileges in employment as non-disabled employees. If an accommodation is requested for the job application process, please contact our office at (325) 942-2168 or email us at hr@angelo.edu.
