2021-2022 UIL
Constitution and Contest Rules

Contest Rules: ACADEMICS

Section 901: ACADEMIC CONTEST ETHICS CODE

(a) The Academic Contest ethics code shall carry the force of rule. Member school districts, member schools and/or covered school district personnel who violate any of the provisions of this code shall be subject to penalty.

(1) Participate in contests in the spirit of fairness and sportsmanship, observing all rules – both in letter and in spirit.

(2) Sponsor and advise individuals and teams without resorting to unethical tactics, trickery that attempts to skirt the rules, or any other unfair tactic which detracts from sound educational principles.

(3) Accept decisions of officials and judges without protest and extend protection and courtesy to officials.

(4) Regard opponents as guests or hosts while placing personal and/or team integrity above victory at any cost. Maintain grace and poise in victory or defeat. Conduct that berates, intimidates, or threatens competitors has no place in interscholastic activities.

(5) Provide information or evidence regarding eligibility of any contestant or school to local school administrators or to the appropriate judicial bodies upon request.

(6) Understand and appreciate the educational values of competition and abstain from modifying or soliciting another teacher to modify grades for eligibility purposes, knowing that such behavior defeats the character-building purposes of extracurricular competition.

(7) Abstain from any practice that makes a student feel pressured to participate in non-school activities.

(8) At all times, ensure that competition is relative to a more important overall educational effort, using competition as a tool in the preparation of students for citizenship and successful adulthood.

(9) Insure that UIL Academic district, regional and state meets receive precedence over non-qualifying contests or meets.

(10) School districts shall notify the academic district or regional meet director no later than the end of the second school day following academic district or regional competition if a student or a team knows that it will not compete at the next higher academic meet.

(b) SALARY/STIPEND. Any salary or stipend arrangement which makes it to the financial interest of a coach, director or sponsor to win a UIL Contest will be in violation of the Academics Ethics Code, and the member school district, member school and the school district personnel shall be subject to the range of penalties outlined in Sections 27 and 29.

**ENTRIES AND CERTIFICATION/ELIGIBILITY**

All Academic entries, including One-Act Play, are certified and entered into the Regional Meet through the UIL Spring Meet Online System. Please refer to the sections of this handbook on golf (page 24), tennis (page 26), and track and field (page 27) for submitting district results.

The eligibility of a student competing at the regional meet is the responsibility of the individual school.

**FEES**

In order to expedite the payment process for the 2022 Region 2-1A Spring Meet, the Regional Director has authorized the following flat rate fee schedule:

- Academic entry fee per district: $2970
- Athletic entry fee per district: $5488
- One-Act Play entry fee: $750 for each company

How the member schools constituting the district divide the full slate fees for Academics and Athletics among themselves is the business of the member schools within the district and the district’s Spring Meet Chairperson. All fees are non-refundable. Please refer to Schedule of Fees on page 12.

The District Spring Meet Chair for each district represented in Region 2-1A will collect the academic and athletic fees for that district and submit one check by April 21. Each school with a One-Act Play will submit a check for the entry fee at rehearsal time Thursday, April 28.
ADMISSION FEES

Admission fees for the Regional Spring Meet activities are as follows:

- One-Act Play: $10 for adults; $5 for students
- Track and Field: $8 for adults; $5 per day for students
  $12 two-day pass for adults

Contest coaches and participating students will not be charged an admission fee.

ACADEMIC CONFLICTS

If a student who has followed the State Conflict Pattern earns eligibility to compete at the regional level in more than one event and finds that he/she has a full or partial conflict in the two events, he/she must make a choice of which contest will be participated in. No adjustments will be considered to accommodate the conflict.

VERIFICATION, AWARDS, STATE MEET INFORMATION

Students, their coaches, and/or other school officials are urged to attend all verification periods and awards meetings. Regional meet directors are under no obligation to contact winners who fail to attend awards meetings with results. Information regarding the UIL Academic State Meet is posted on the [UIL Texas website](https://www.uiltexas.org). Information packets will not be mailed to schools or handed out during the regional meet verification meetings or awards ceremonies except for One-Act Play and L-D debate. Coaches and contestants must go to the UIL website for the State Meet tentative schedule, UT campus map, UT parking, and other vital State Meet information. Responsibility for knowing times, dates, and sites of State Meet events rests solely with coaches and contestants. Second place regional teams should also look for the list of wild card qualifiers.

MEDALS, PLAQUES, TROPHIES

Individual and team awards will be given in compliance with UIL specifications and guidelines. All trophies and medals are awarded according to the uniform state plan and are uniform in all regions. Academic awards will be presented at the verification/contest site after official results. Athletic awards will be presented at the site of the competition. Please plan to be present for awards for your event or have someone from your school present. Unclaimed awards will NOT be mailed.

WITHDRAWALS AND TARDINESS

A school that withdraws a student from a Regional Meet is responsible for notifying the appropriate alternate and the Regional Director. Refunds of entry fees for withdrawals will not be made. A list of absent contestants will be reported to the State UIL office from each academic event. It is vitally important that you notify the Regional Director in advance if a contestant will be unable to attend the regional competition.
HEADQUARTERS

On Saturday, April 23, Headquarters for UIL activities will be located in room 112 of the Houston Harte University Center from 7:00 a.m. until 6:00 p.m. Campus maps, schedules, and other information will be available. Results of each academic contest will be posted as the reports are made available on the windows of the Credit Union office near the Crossroads Cafe area.

SMOKING, OPEN CARRY, AND CAMPUS CARRY POLICIES

Smoking and the use of all tobacco products is only allowed in designated smoking-permitted areas. Pursuant to the law, open carry is not permitted by a license holder on the premises of an institution of higher education.

A law passed by the 84th Texas Legislature and effective August 1, 2016, changes the approach to carrying a concealed handgun on higher education campuses in Texas. The law is often referred to as “campus carry,” but it is officially Texas Senate Bill 11: Carrying of Handguns by License Holders on Certain Campuses. Texas statutes prohibits concealed carry on the premises where any UIL sanctioned competition is being held. Buildings where concealed carry is normally permitted but will be used for UIL competitions will have portable 30.06 signs placed at the entrances. For more information visit ASU’s website on campus carry Angelo State University and Campus Carry.
Schedule of Fees

Each District Spring Meet Chair will send one check for the total academic and athletic entry fees for the district. Individual schools should mail their entry fees to their district directors as listed on page 6 of this handbook. Fees are due by March 28 and will not be accepted from individuals or schools. The appropriate amount for each district is reflected in the following schedule of fees.

Coaches/Spectators: The following rules should be discussed with coaches regarding parents and interested spectators. It is the coach’s responsibility to inform parents and supporters of their athletes of the following rules. Parents and interested spectators should be reminded that they are spectators and it is NOT their responsibility to report possible violations. Rule violations should be reported by the players or the marshals of the meet. Parents and interested spectators should stay a substantial distance from competitors during play. After play has started, parents and interested spectators MAY NOT coach
“or advise” players. A player is subject to a two (2) stroke penalty on the first offense and disqualification by tournament officials if the “coaching” continues. On course encouragement, support, applause, etc., is not considered coaching or advising; therefore, it is permissible.

Coaches are allowed, in fact encouraged, to talk with their players “at the turn” (after 9 holes) as long as starting play on the back nine is not unduly delayed.

*Important Note:* Private golf carts are not allowed at Bentwood CC or Quicksand Golf course.

**Rules:**

Play will be governed by UIL and USGA rules. Coaches and contestants should familiarize themselves with rules contained in the Interscholastic League Constitution and Contest Rules and the Regional Athletic Director’s Spring Meet Handbook.

All matches shall be played under U.S. Golf Association rules with the following exceptions:

- **Caddies/Electric Carts Prohibited.** Contestants may not use caddies or electric carts during district, regional, or state matches. Pull carts may be used, but participants are required to begin the round with a pull cart if one is desired. Students with disabilities as defined by ADA may apply for a waiver. Contact the UIL office for details.
- **Hazards Designated by Tournament Director.** After a player hits two consecutive shots into a hazard, the next shot will be played from a designated drop area between the hazard and the green if permitted by the tournament director.
- **Nine Stroke Limitation.** In regional and state competition, a player shall pick up the ball and record a score of nine after the eighth stroke of the hole. If a player continues to play, the player is not disqualified, but must count all shots played.

**Disqualification:**

According to UIL rules, a player disqualified for an unsportsmanlike conduct violation COULD have all scores posted by the player not count toward the team score.

For example, a player disqualified for unsportsmanlike conduct during the first round will not be allowed to continue. First round scores of a player disqualified for unsportsmanlike conduct during the second round may or may not be cancelled. Thus, the first day or second day score may not be used for the team score.

Unsportsmanlike conduct is defined as profane, vulgar and/or abusive language audible to others; carelessly and/or deliberately throwing clubs; verbalizing with intent of intimidation; or exhibiting behavior not in accordance with spirit of fair play. First consideration of penalty should be per USGA rules. If the golfer’s action warrants, penalty may be disqualification for the round, and/or in the opinion of the tournament director the violation is flagrant, disqualification could be for the tournament.

Please note that in accordance with USGA Rules of Golf, a player who cannot complete the round because of illness or injury is not subject to disqualification for the remainder of the tournament if the tournament director of the Rules Committee is notified and the reason satisfactory.

Team Award Presentation
City of San Angelo

San Angelo is the center of a thriving community of 100,000 and the city nearest the geographic center of Texas. For some, San Angelo is the true heart of Texas. For others, it is where Central Texas and the Hill Country meet West Texas. Either way, it is a community of genuine, big-hearted and hard-working people who are proud of their Texas heritage.

San Angelo has a rich and culturally diverse history. Though the city owes its birth to the establishment of Fort Concho along the Concho River in 1867, various Indian tribes, as well as Spanish conquistadors and priests, traversed the area for centuries before that. They were followed by buffalo soldiers and pioneer ranchers, who opened the way for merchants, bankers and educators in San Angelo and Tom Green County.

This diverse heritage is celebrated annually through the Juneteenth Celebration, the Fiestas Patrias, the Diez y Seis de Septiembre festivities and Frontier Day at Fort Concho National Historic Site, as well as Christmas at Old Fort Concho. And, in honor of Independence Day, the community comes together for a grand celebration that includes a patriotic pops concert and fireworks display July 3 at the River Stage on the banks of the Concho River downtown and a July 4 fireworks show over Lake Nasworthy. The annual rodeo and livestock show in the spring and the roping fiesta each fall pay homage to the region’s ranching roots.

San Angelo is also a cultural paradise. The San Angelo Symphony, the San Angelo Civic Ballet, and Angelo Civic Theatre offer a variety of programs annually. The San Angelo Performing Arts Campus (SAPAC) brings even more choices for entertainment with stage performances by local companies, Be Theatre and San Angelo Broadway Academy, and traveling Broadway productions, such as “Legally Blonde.” The San Angelo Museum of Fine Arts with its distinctive architecture provides a wonderful setting for exhibits by some of Texas’ finest artists. Historical displays at Fort Concho and the Railway Museum of San Angelo attract visitors from throughout the nation. Downtown boasts a series of historical murals and public art in the most unexpected places.

The Cactus Hotel is a local landmark, which serves as the center of numerous cultural activities. Visitors along the River Walk enjoy the prize-winning sculpture of the “Pearl of the Conchos,” a West Texas mermaid holding a symbolic Concho Pearl, a pink gem unique to the waters of the Concho River around San Angelo.

Natural beauty is also found with the International Water Lily Garden in full color between March and September. It is complemented by the Sunken Garden, Rio Concho Garden, Terrace Garden and Gazebo Garden, all part of the city’s system of municipal parks. The River Walk along the Concho provides water displays, dramatic lighting and a four-mile trail for enjoying nature.

The Nature Center on the outskirts of town by Lake Nasworthy is a regional museum and learning facility. Lake Nasworthy—along with O.C. Fisher Reservoir and Twin Buttes Reservoir—provides residents and visitors a variety of water sport opportunities, from fishing to water skiing. Adjacent to Fisher Reservoir, San Angelo State Park sits astride the junction of four ecological zones, making the park one of the most diverse natural preserves in all of Texas.

San Angelo is home to Goodfellow Air Force Base, as well as a strong business community that includes such national corporations as SITEL, Goodyear and Ethicon. Additionally, San Angelo is a regional medical center.

Overall, San Angelo has all the advantages of a large city—numerous civic and cultural events, ample shopping, varied entertainment options, a solid business community and more—along with all the charm of a small town, ranging from safe streets to friendly people. That combination helps make San Angelo an ideal environment for a college education.
