

# NOTICE OF FILING

This notice is posted as the result of the filing of an application for permanent alien labor certification with the Department of Labor for the job opportunity listed below. Any person may submit documentary evidence that has a bearing on this Labor Certification Application including information on available U.S. workers, wages and working conditions, and/or the employer's failure to meet terms and conditions set forth in the Application for Alien Labor Certification with respect to the employment of any similarly employed workers. Such evidence should be submitted to Certifying Officer, U.S. Department of Labor, Employment and Training Administration, Harris Tower, 233 Peachtree St., Suite 410, Atlanta, GA 30303, Tel. 404-893-0101, Fax 404-893-4692.

**Employer:** Angelo State University

**Job Location:** College of Science and Engineering  
Department of Chemistry and Biochemistry  
2460 Dena Drive, San Angelo, TX 76909

**Position:** Assistant Professor of Chemistry in Organic Chemistry

**Job Summary:** Angelo State University is seeking a dynamic educator at the rank of Assistant Professor who excels in the undergraduate classroom environment.

**Duties:** The successful applicant will be responsible for the two-semester Organic Chemistry sequence, including laboratory experiments.

The applicant will be expected to maintain an active research program in an area of organic chemistry that involves mentoring undergraduate students.

Other duties will include committee service and opportunities for community outreach.

**Knowledge, Skills and Abilities:** The applicant must be able to communicate chemical concepts at the undergraduate level and establish a respected academic environment that is conducive to the success of students.

The applicant must be able effectively work with the team-oriented departmental faculty.

**Physical Requirements:** Commensurate with a normal office environment plus the ability to climb a stepladder to perform cryogen fills on the NMR and change NMR samples.

**Qualifications:** Ph.D. in organic chemistry.

**Required Applicant Documents:** Applications should consist of ASU Application for Faculty Employment, available at <https://employment.angelo.edu>, Cover Letter, Curriculum Vitae, Teaching Philosophy, Transcripts (unofficial), and Other Document –three letters of reference.

**EEO Statement:** Angelo State University is an equal opportunity employer and is committed to promoting and ensuring equal employment opportunity for all individuals without regard to race, color, religion, sex, national origin, age, sexual orientation, disability, or veteran status. In compliance with the Americans with Disabilities Act (ADA), Angelo State University is committed to providing reasonable accommodations to ensure equal access to employment opportunities for qualified individuals with disabilities. We are committed to ensuring that a qualified individual with a disability has the same rights and privileges in employment as non-disabled employees. If an accommodation is requested for the job application process, please contact our office at (325) 942-2168 or email us at [hr@angelo.edu](mailto:hr@angelo.edu).
