VIII. New Business

- **Jeff Sefcik, Executive Director of Enrollment Management**
  - Provided brief on Strategic Enrollment Management Plan
    - See meeting recording for more info.

- **Recommendations:**
  - Is it possible to payroll deduct the cost of a meal plan if we so choose OR is it possible to charge meals to our CID or something of the sort and have the cost of the meals deduct from our paychecks. Example: I go to Chick Fila and swipe my ID, and that meal gets deducted from my paycheck. I know Shannon has the ability for their staff members to charge to their paychecks, why could we not have the same ability?
    - Response from Duane Pruitt, Executive Director of Budget & Payroll Services: Payroll deduction for meals is not an allowable deduction per State rules/guidelines.
  - Anonymous: I would love to suggest some type of recreational sports teams for staff and faculty! This would be such a fun way for staff and faculty to get to know one another with a little (fun) competition.
    - We will be getting more information on this.

- The ASU annual awards ceremony is scheduled for May 2, 2024, from 4-6 pm; committee meetings will be held to review and rank order nominations.
